

A **Emerald Club** donation is a sensible way to make a significant impact on our ministry. A donation of just \$1,000 per year averages out to just \$83 per month or under \$3 per day!

YES

It is with great joy and a love for the Lutheran High School ministry that I agree to provide \$1,000 per year for _____ (3-9) years.

For every \$1000 donated to this program:

- \$100 will go to support and provide cutting-edge wireless technology; computing infrastructure; designated classrooms with projection and audio systems; classroom software to facilitate teachers to maximize the use of technology, reducing printed material costs and creating schools of technological excellence.
- \$100 will be used to enhance and provide additional program offerings to meet the needs of different learners while assisting in recapitalizing our operational budgets to create stable fiscal operations.
- \$100 will be placed into our Endowment Fund, to provide a cushion for any unexpected variables.
- \$700 will go directly to reduce the Association's indebtedness; the goal would be to cut the debt by over 60% throughout this nine year effort.
